He has rebuilt over 15 chain saws and has written all procedures for small tool use.

President Dodd then presented Jeff Phillips with the Fire Safety Award (Medal & Certificate).

Assistant Chief Long spoke of **Jeremy Henwood** the **Law enforcement Medal** honoree. "Jeremy Henwood was dedicated to his beat and to his profession as a police officer. Moments before he was gunned down, he was eating at McDonald's where his gentle spirit, kindness and community support were in evidence. A young lad was short of change tom pay for his meal. Officer Henwood had been in line and as they stood waiting to be served, he asked what the boy wanted to be when he grew up. The lad responded that he wanted to be an NBA basketball player. Henwood purchased the food and handed it to the boy commenting 'work hard' and you can achieve your goal. Several minutes after leaving McDonald's, 23 year old Dejon White pulled up behind Henwood's patrol car and flashed his lights. Henwood pulled over and White pulled up alongside, rolled down his passenger side window and shot Henwood in the head with a shotgun. He died the next day. Henwood was a veteran of Afghanistan as a Captain, USMC Reserve. Captain Todd Jarvis and Sgt. Scott Wall commented on Jeremy Henwood and thanked us for honoring this four year veteran.

To create a California Scholarship at the College level would cost $1300. The Valley Forge Teacher Project costs $1750.

Joe Dooley spoke on the **Conference for 2012**. He thanked the Ladies Auxiliary for their $1,000 donation two years running. This year will be Jefferson Lives, biography of history. Biographies to be examined by educators. There will be a Pulitzer Prize winner this year. This will be dedicated to Peter Oniff of the University of Virginia and will be held in Charlottesville. He has met with the director of Jefferson Studies at the Convention Center on the mountain next door to Monticello. It will be held June 22-24. The cost is $250(includes meals). Two papers are to be presented on Friday, one paper after dinner. On Saturday there will be papers in the morning, lunch, papers in the afternoon and then dinner.

The students would send their speech on a flash drive. We would use the national judging form. They must have to the chapters by April 1st. Judging can be done separately by email. Some budgeting will be needed for this item. $1500 savings bond will be awarded to the winner. The theme for 2012 is an event or personality of the American Revolution. The program was discontinued under Chuck Lampman's tenure as President as it was deemed too costly to get the applicants to the state meetings. It has been about 11 years since the last time we did this.

It was reported that Helms Bristow arranges National and State meetings. Need to negotiate details. No Cost to us. We may be working with them on future meetings. Junior Membership or Youth Registration programs.
For more information about these programs contact your local representative listed below.

What About You?
It is very possible you are eligible for SAR membership. In fact, you may already know the name of a patriot in your family's history that served during the Revolutionary War. If not, the SAR has many volunteer workers to guide prospective members in the development of a lineage to their patriot ancestor.

Let's Get Started!
If you know the name of your patriot ancestor write that name in the space below. If not, simply leave this space blank.

Now, beginning with yourself, use this worksheet to record the chain of ancestors connecting you by bloodline descent to your patriot ancestor. You don't need to know an entire family tree, just a single line back to your patriot. If necessary, continue to record your lineage on a separate sheet of paper.

During the last century many Sons and Daughters of the American Revolution submitted documentation proving their lineage from Revolutionary patriots to themselves. This means your great-aunt or a second cousin, *someone you may not know,* might have been a member of the SAR or DAR. If so, they have already submitted documentation supporting your lineage from your great-grandfather back to your patriot ancestor.

Don't Lose Heart!
Whatever you do, don't lose heart. Record the information you know on this worksheet and then mail it to your local SAR representative. You will then be assigned a SAR assistant to help with your research.

Preserving their History . . .
enjoying the freedom they
fought for!

Life, Liberty, and the Pursuit of Happiness

These were the ideals fostered by America's *first* patriots, the patriots who opposed tyranny to give us our freedom from oppression.

As Sons of the American Revolution (SAR) our mission is to perpetuate the memory of the patriots who, by their services and sacrifices during the war of the American Revolution, achieved the independence of the American people.

What is the SAR?

The SAR is a patriotic non-profit organization. Its membership consists of more than 28,000 members living in all 50 states and 23 foreign countries. It has more than 500 local and regional chapters.

SAR objectives are declared to be patriotic, historical and educational; to unite and promote fellowship among the descendants of those who sacrificed to achieve American independence, to inspire them and the community-at-large with a more profound reverence for the principles of the government founded by our forefathers, to foster true patriotism, and to maintain and extend the institutions of American freedom.

Who can join?

The SAR is a "lineage" society, which means you must have an ancestor who supported the cause of American Independence during the years 1774-1783. You must be at least 18 years of age to be eligible for membership.

Not 18 years?

If you are not 18 years of age you may still enter the SAR under our Youth Registration Program or as a Junior Member. On your 18th birthday you will automatically become a member with full membership privileges.

My Country 'Tis of Thee

Words: Samuel Francis Smith (1831)
Music: Unknown, from English Anthem "God Save the King/Queen"

My country tis of thee,
Sweet land of liberty,
Of thee I sing.
Land where my fathers died!
Land of the Pilgrim's pride!
From every mountain side,
Let freedom ring!

Our father's God to, Thee,
Author of liberty,
To Thee we sing.
Long may our land be bright
With freedom's holy light;
Protect us by Thy might,
Great God, our King!

CASSAR PRESIDENT'S SPEECH
APRIL 2012

Last June as I stood on the rebuilt old North Bridge spanning the Connecticut River, I had a fleeting glimpse of a moment in history that changed things forever. I looked north and imagined the men standing there and what they must have felt. What transpired as a result of that encounter has shaped the world as much as any event in history.

I am amazed by the united determination our forefathers demonstrated to create a new nation. Their ability to see past their differences and negotiate towards a common goal has been, and continues to be, an example to people all over the world. The struggle for liberty and the ultimate success of their fortitude and cooperation has been a benchmark for others to follow.

Let us continue on the path of liberty and freedom. Let us continue to be an example, not just as a nation of free men and women, but also as members of the Sons of the American Revolution. Let us set aside our differences and embrace the common good, be respectful of and to one another.

As officers of the CASSAR we have an obligation to ethically conduct the business of the Society, which is understood. For me, it is even more important that we as officers represent the Society as a whole and remember what allowed the revolution to succeed: the ability to find agreement within our differences. Let us strive to continue to be the example as we represent our forefathers in this Society and in our daily lives.

Let us remember our obligation to our forefathers.

I would like to thank the Gold Country Chapter for their years of support and the society for having faith in me. I am looking forward to being the CASSAR ambassador for the coming year.
