The NSSAR Color Guard is reinstating The *SAR Color Guardsman Magazine* as an E-Magazine. The publication schedule is set for quarterly issues that will be distributed via email and be available on the committee webpage. Each issue will be published in a PDF format (Adobe Acrobat).

The plan is for The SAR Color Guardsman to contain articles of interest to the Color Guard including, but not limited to the following:

- Uniforms – history, where to get replicas made, etc
- “How To” Articles – establishing a color guard, drill manuals, handling weapons, etc
- Events – what should be expected of color guards, pictures and articles of color guard participation, etc
- Announcements – what upcoming events need color guard participation, etc

Deadlines are as follows:

- October publication – September 30th deadline
- January publication – December 31st deadline
- April publication – March 31st deadline
- July publication – June 30th deadline

Thus, the call is now going out for submissions for the first issue of the new SAR Color Guardsman Magazine. Each submission should be sent in a DOC or RTF format (Microsoft Word) or similar format. Pictures should be sent in JPEG format.

I am also asking that you forward this email to your state’s color guard commander for dissemination amongst the color guard members.

Thank you,
Mark C Anthony
