**Eagle Chapter Presidents Summary**

The Eagle Chapter like many of the other chapters experienced similar struggle due to the pandemic of the Covid 19 pandemic that lingered on beyond the expectations of our state and national leaders. The chapter began holding ZOOM Monthly Meetings and in-person Board Meetings in the early part of the year to keep a presence to our membership. When the chapter started in-person meetings in May, the attendance was good and has dropped off slightly as the summer months approach, which is typical.

The chapter saw a surge in growth in 2021 growing from 19 members at the beginning of 2021 to a total of 30 members at the end of 2021 with a loss of only four (4) members. We started the new year out with 26 members and had a 27% growth as a chapter. Our growth was in part due to the continued contact the more active members keeping them informed as to what was going on in the chapter on a monthly basis.

As the chapter enters to new year, we have many new programs to keep our contact with new members and to try and continue our growth.

**General Patton Chapter Summary:**

For the year 2021, the General Patton Chapter saw the normal increase in membership, starting the year with a membership of 81 compatriots and rising to a total membership of 104 on 31 December with 15 new accessions and 7 reinstatements, and then dropping to 87 compatriots on 1 January 2022 after factoring in 14 drops, 1 death, 1 resignation and 3 transfers out. Chapter meetings were held every month in 2021. The meetings in January and February were virtual only utilizing Zoom. All remaining meetings were held in-person with a luncheon on the second Friday of the month at the Poinsettia Pavilion in Ventura, with the exception of August. In August, Chapter President Tom Shaw invited

compatriots and guests to a meeting and lunch at his home in Ventura. Attendance varied from a high of 24 to a low of 9, with the average being 15, or 14.4% of the total membership, including those living outside the local area. Guests varied from 2 to 6, with Jim Klingler, California Executive Vice President and member of the Orange County chapter, joining us in November. On a more somber note, the chapter lost one member, Bob Colbern passing away in March.

Chapter members participated in the 4th of July Parade in Ojai CA at the invitation of the local DAR Chapter. The Chapter Color Guard was present for Wreaths Across America in December at Ivy Lawn Cemetery.

Chapter members attended the virtual Spring Membership Meeting. The Chapter Treasurer, Robert Taylor, past CASSAR President, participated in both the 2021 Congress in Renton WA and the CASSAR Membership Meeting in Riverside CA, held in November.

### **Harbor Chapter Summary:**

The Harbor Chapter continued to remain functional and in touch with members in early 2021 via online pandemic-era meetings, a practice begun in 2020, before successfully resuming in-person meetings at a new location in September as restrictions loosened. Attendance during the year varied from just under 10 members per meeting to almost 20; overall, attendance by members in 2021 averaged 14.5 at each meeting, with just over 4 guests. The meetings offered speakers on such topics as U.S. history, genealogy and community cultural programs.

Two chapter members began serving the California Society as state officers: vice president-membership and color guard commander.

A push began late in the year as the Covid crisis improved to get youth programs and awards back on track for 2022, and the initial groundwork was laid for participation in programs looking forward to the nation's 250<sup>th</sup> anniversary in 2026. For the color guard, many parades and events were canceled again, but some members were able to participate online in national events, and joined in person for a video around Memorial Day at military sites in San Diego. As restrictions eased later in the year, members were further able to again take part in such in-person public events as Wreaths Across America, which honors deceased veterans.

**Mother Lode Chapter Summary:**

We had regularly scheduled meetings throughout the year. Some zoom, some mixed but we did conduct our meetings. We discussed our Chapter recognition projects. It has been hard to get Agencies involved between wild land fires and Covid issues. We have put off our Awards Banquet until 2023. The Poster Contest went well for our entrants. We have new members beginning their journey with our Chapter and we have had members move away to continue their SAR life in other places. Our Chapter newsletter, The Dispatch, is a great publication with a very talented Editor.

This year we had 26 entries into the brochure contest. Those entries came from 3 different schools: John Adams Academy, Rolling Hills Middle School and a home schooled. We had 3 classes from John Adams Academy participate in the poster contest this year. This represents more than 90 students. The teacher's selected 20 posters to advance for chapter judging. The winner of the brochure contest for Mother Lode chapter is Angela Ashton from John Adams Academy. Her entry addressed the Declaration of Independence and will be entered into the state level competition. We had hoped to get an entry into the essay contest, but entries were due by the end of December and we were a bit too late. We will work next year to have entries in all three contests.

### **Orange County Chapter Summary:**

The past year The Orange County Chapter saw tremendous growth with 27 new members and less than 7% of the membership dropping from the roster for 2021: leaving our total membership at 150 members for the coming year. Our chapter activities were equally impressive, our Color Guard participated in the 100<sup>th</sup> Birthday celebration of an WWII Orange County Combat Pilot and other private celebrations. Our Youth Programs Chairmen remained busy throughout the year. Our Eagle Scout nominee John McPhie. The youth programs had entries in all categories of the CASSAR youth platforms, including, a poster, brochure, a high school oration entry, a Knights Essay Contestant, local JROTC Essay entry. Paul Garcia, Vice President found an array of speakers for 6 of our in-person monthly meetings. This was the year of our 54<sup>th</sup> anniversary and we struggled to improve attendance at monthly meetings and to volunteer for important Chapter program chairmanships. While our meetings via Zoom and live at the Santa Elks Lodge assisted our communication but was not sufficient to maintain Chapter energy. Our Registrar, Dr M Kent Gregory continued work to register 27+ new members, our Corresponding Secretary, Daniel McMillan did double duty as Treasurer. Our Annual Chapter Picnic in August was a success. I am proud of the Chapter members who participated during this difficult year. The Chapter is

embracing and gearing up to communicate to the entire Orange County community for our America 250 Program and Celebration.

### **Redlands Chapter Summary:**

The past year the Redlands Chapter conducted nine online meetings via Zoom. COVID-19 pandemic curtailed most chapter in-person activities, however the color guard participated in one event in July and marched in the Redlands Veterans Day Parade. Several chapter officers participated in the local Wreaths Across America ceremony; this being our third year of supporting the event with \$500. The only youth award we were able to make was the Knight Essay Contest in February.

While Zoom meetings provided opportunities to see CASSAR officers more frequently, participation by members is lower than our in-person meetings. We are hopeful of participating in as many outdoor color guard events as possible this year.

### **Riverside Chapter Presidents Summary**

As Chapter President, the theme I presented for the 2021 year was "This is our Valley Forge time", where the chapter could re-group, rest, train and prepare for the upcoming 2022 year. We were learning about Thomas Paine's famous quote "these are the times that try men's souls" 2021 will go down in history as one of the most challenging years to keep non-profit organizations viable. Due to the Covid 19 mandated "public meeting shutdowns", the SAR Riverside Chapter had to conduct internet zoom meetings from January to May, 2021. We made a bold step and had an outdoor June meeting just before we went dark for July and August, before resuming indoor meetings from September to December, 2021. The Covid 19 restrictions also impacted our ability to have monthly meeting programs due to the unavailability of speakers who were willing to present programs at indoor meetings.

Our Second Vice President, Albert Kimble was creative in approving meeting programs where each chapter member would present a program on their ancestor(s) in the American Revolution. We would then compliment the presentation with a video on a battle of which the ancestor participated. So, we accomplished two crucial educational goals, getting to know our Compatriot ancestors who sacrificed their lives promoting the American Revolution and learning about the various battles that occurred during the American Revolution. Also, as a result of the Covid 19 restrictions of public meetings, we were not able to administer our youth medals and awards program; however, we were able to prepare and schedule for the 2022 year which we anticipated an "opening of public meetings". Given the Covid 19 restrictions, were

also able to organize and present a successful State meeting at the Mission Inn. Logistics were a challenge and our Compatriots with their supporting wives, Brian Stephens, Michael Mann, Dave Leonard, Mark Kramer and Henry Lucas rallied to the cause showing their commitment to the Sons of the American Revolution. We were also honored to have Brian Stephens, President of California Sons of the American Revolution as a member of our chapter.

I would say that we also owe great thankfulness to our almighty God for allowing our chapter to continue during the very trying times of 2021.

**Chapter Summary:**

San Diego has held firm generally during the pandemic. Naturally we had the loss of a number of members due to virtual only meetings. We are in talks with the City of San Diego on holding a 4<sup>th</sup> of July parade for the sescentennial on July 4, 2026. But that progress has been slow. Our color guard continues to be our shining light of the program. They have really done well and racked up the points. They have been involved in a number of parades and events.

While we do not have a 2<sup>nd</sup> VP to run our youth programs we have consistently done a great deal with the community. Many of our members serve as judges for National History Day. A recent San Diego Navy Cadet has moved on to finish first in the state for ROTC.

**South Coast Chapter Summary:**

During 2021, due to the Covid Virus, the chapter meetings for the months January thru May 2021 were held via Zoom. The Zoom meeting participation was reasonable considering the circumstances. A 15–20-minute YouTube video was shown at the Zoom meeting that had relevance to the American Revolution. Starting in September 2021 the chapter returned to its in-person dinner meeting format. The chapter had to find a new venue to hold its meetings as the prior venue closed due to the COVID. The Chapter Registrar, Leon Smith, was busy with the induction of five new members and the issuance of ten supplemental certificates.

Due to the COVID it was not practical to hold an election in November 2020. So, the 2018-19 officers were asked to stay in office for one more year, 2021. The chapter annual election of officers was again held in November 2021. The newly elected chapter officers will be installed at the January 18, 2022, dinner meeting.

The Chapter President, Scott Whitman, attended the virtual CASSAR Annual Meeting in April 2021 and the virtual Fall Board of Managers meeting in November 2021.

**SOUTH COAST CHAPTER**  
**Chapter #32**

Due to the COVID restrictions, ROTC presentations were curtailed. The chapter mailed certificates and medals to the schools who nominated cadets to receive the bronze ROTC medal.

#### **Thomas Jefferson Chapter Summary:**

The past year The Thomas Jefferson Chapter had a net gain of 13 members, increasing our total membership to 119 members for the coming year (including 3 dual members). We had a number of interesting speakers at our monthly meetings in 2021. Due to Covid, the chapter continued meeting via Zoom Meeting, giving members living in Germany, Arizona, Florida, and Mississippi an opportunity to attend chapter meetings. In January, CASSAR Surgeon Matthew S. Bowdish spoke about using DNA in Genealogy. In February, Past Commander General Howard Jones of the Military Order of the Stars & Bars spoke about the Battle of Drewry's Bluff. In March, Professor John V. Richardson, PhD, a professor emeritus of Information Studies at UCLA, spoke about Coats of Arms: Fact, Fiction, and Fabrication. In April, SAR Museum Board Chairman Dr. Kent Gregory spoke about some significant historical artifacts in the collections of the SAR Museum, and how compatriots could purchase authentic items to donate to the Museum. Also in April, President Greg Owens attended the commissioning of the Littoral Combat Ship USS *Oakland* (LCS-24) in Oakland, California. It was a drive-by ceremony with Covid restrictions in place. In May, our speaker failed to appear, so President Owens led a discussion on chapter activities and business.

After the summer recess, the chapter resumed in-person meetings, with a Zoom Meeting option for members out of the area or unable to attend in person. In September, Brian and Marla Rains from the Oakland FamilySearch Center spoke on the FamilySearch.org website, and how to effectively use it for genealogical research. In October, Bill Miklos and Chuck Myers from the USS *Hornet* Sea, Air & Space Museum in Alameda spoke on the history

of the eight Navy ships named *Hornet* (going back to the Revolutionary War), and about the successful recovery of the Apollo XI Command Module. In November, Command Sergeant Major Daniel Sebby, the Military Historian, Archivist and Curator of the California Military Department, spoke on the history of the military in the Bay Area during World War II – including preparations for the looming war, Japanese attacks on California, the internment of the Japanese, and Italian POWs working in California agriculture.

In October, Registrar Derek Brown spoke to a local DAR chapter about SAR Youth Programs and the DAR Finder Program. Color Guardsman Jeff Nibert participated with DAR, CAR, and American Legion Post 237 in the Pleasanton Veterans Day Parade, and spoke about his Patriot Ancestor to the Young Americans Fife and Drum Corps. President Greg Owens participated in a flag retirement ceremony at the Veterans Memorial Building in Alameda on Veterans Day. Registrar Derek Brown and Secretary Stephen Renouf served as judges for the local DAR chapter's Good Citizen Award Contest for the fourth year in a row. Compatriot Ward Williamson, Registrar Derek Brown, and Ladies Auxiliary Member Janet Brown all received the SAR Lafayette Volunteer Service medal (with oak leaf clusters) for their work on the Patriot Research System. The chapter's candidate for the SAR Knight Essay Contest won the state competition.

We were grateful to have CASSAR Officers Don Littlefield, Craig Anderson, and Bill Van Valkenburg attend our Zoom Meetings, and in person meetings to support the chapter, and keep us informed of state activities.
