President Fosdyck then introduced our past state presidents in attendance in order of their service. There included; Charles R. Lampman, Bob Ebert, Stephen Renouf, Lou Carlson, John Dodd, Steve Hurst, Jim Faulkinbury, Kent Gregory, and Ron Barker.

The Minutes from the Fall Board of Managers meeting were up for approval. Historian Jim Blauer noted that some last minute corrections had been made, typed into the master copy and sent to the State Secretary and webmaster. It was moved by several members to accept these minutes as corrected and seconded. The motion passed.

They included; PG Guzy, FPG Ed Butler, Vice President General of the Western District Kent Gregory, Foundation Board Member John Dodd, Foundation Board member Lou Carlson, Spain Trustee Stephen Renouf, and California Trustee Ron Barker.

California will be the host state and it will be in Orange County at the Costa Mesa Hilton. This is near South Coast Plaza and the airport. It will start up after July 4th (Thursday). It will begin on Friday with meetings of the Executive Committee and the Foundation Board. It will need 75 to 100 Volunteers. There will be a Volunteer appreciation lunch. They are working on a July 4th event such as the retiring of Colors at Disneyland. Mark Anthony is the National Color Guard Commander and will be in charge of all Color Guard activities.

On Saturday there will be tours during the day which will include; the Lyons Air Museum, the Nixon Library and possibly the Huntington Library. The evening will be the host reception that the state pays for. This will be a Hornblower Cruise of Newport Bay. To raise money so the California Society can afford this cruise we have fund raisers going. One is a raffle for a quilt made by Darian Taylor. The other is a raffle for a full week’s stay at the Costa Mesa Hilton during the Congress.

There will be the banquets and other tours. One is to the Mission San Juan Capistrano with a possible lunch at El Adobe. On Thursday following the close of Congress there may be a tour to the Reagan Library in Simi Valley.

Volunteers will be needed for specific items. Registration Table will need to be manned. Airport greeters will be needed at all three terminals. We may need extra shuttle buses. We will need two room monitors to see if any problems are taken care of. Four each tour we will need a bus captain and an assistant.

Everyone in this room is needed to help out. We will need to have flags in each room, so those chapters that can help by bringing their flags will be appreciated. This is a family friendly event so you are encouraged to bring the kids and grand kids. Jim Fosdyck noted that the Color Guard will be a part of the parade.

SESSION II
April 20, 2018

The meeting was called to order by President Fosdyck at 2:19pm.

Reconciliation Reporting (Exhibit M) was covered by Secretary Craig Anderson. He first wanted to thank Don Littlefield and Jim Faulkinbury for their assistance. They did a good job. By mid-year errors were found and corrected. The deadline to get dues into the state was January 5th. Only 11 chapters were able to get their dues in on time. The other chapters had various reasons for not being able to make the deadline. It was not until March 23 that the California Society was able to approve their reconciliation report.

Jim Faulkinbury proposes that we need to change the way in which we collect dues. Jim will do some more research on this subject and report back at the November BOM Meeting.

John Dodd spoke on AB424. In 2017 it was up to the school to decide if they would allow replica or antique guns on campus. AB424 changed this. Not even the principal can approve it. The only exemption is that if a rifle or musket is an antique (over 100 years old) it can be brought onto campus. Replicas in this bill are not permitted. It was noted that an amendment to this bill could be made by one of the representatives in Sacramento. Steve Renouf made a motion to have John Dodd, Mark Kramer, Russ Kaiser, Don Littlefield and Dave Gilliard to draw up a proposal to amend AB424 so that replicas could be allowed on campus. This motion was seconded by Lou Carlson and others. The motion passed.

Russ Kaiser is going to start marshaling forces to go to Sacramento to change AB424. He will keep the board in the loop on the work done to get AB424 amended to allow both antique and replicas to be on school grounds.
NEW BUSINESS

Question was posed “what can we do to breathe new life into chapters. Jim Faulkinbury spoke on the Genealogical Research System. We have 1) Applications, 2) documentation and 3) patriotic research on the National website. There are over 300,000 record copies. They are looking for volunteers to input lineage data into the system. For those volunteers who do help out there is the Lafayette Medal. They need 10 volunteers to get started.

Brian Stephens spoke on the DAR. In 1990 an Award was created to give to those DAR who submitted the most new referrals to each state. A finders form (Exhibits H & I) needs to be filled out by the DAR making the referral. The contest goes from January through December.

John Dodd spoke about supporting the CAAH. This includes support for the museum and the educational exhibit. The Solid Light Company hired to do the job has donated $500,000 to keep this project going. The SAR needs 5 million dollars. We are not just a lineage society but an educational corporation. If one wishes to leave a legacy in the pledge of 10% of their estate in their will they will be named to the Founders Circle.

With no further business at this time the meeting was recessed at 3:28pm.

SESSION III

REPORTS CONTINUED

Investment Funds report was given by Stephen Renouf. Their report is in the book pages 18-25. Besides Steve, John Dodd and Kent Gregory are the other Trustees. It was reported our investments are with Morgan Stanley. Last year we went from $381,000 to $435,000 a $54,000 increase. Each fund is on a separate page and lists all allocations. The risk profile for each fund is noted. The term “income” has been changed to “earnings”. ½ the earnings are placed in the Permanent Fund. ½ is placed in allocation.

The Articles of Incorporation and by-law changes are voted on by chapter Presidents or their representative who has been designated to vote in place of the President for their chapter. There are two proposals to be voted on today for the Articles of Incorporation. Proposal #1 Article V (Exhibit N) concerns verbiage that will make this article consistent with Article III of the NSSAR Constitution and with NSSAR genealogy policies. The vote was 15 ayes and 0 nays. The proposal passed.

Proposal #2 Article XI (Exhibit O) changes the notice time from 90 to 30 days. This was originally adopted when it was just postal mail. With today’s technology of communications this long period is no longer necessary. The vote on this proposal was 15 ayes and 0 nays. This proposal passed.
By-Law proposals were then voted on. Proposal #1 Concerned By-law 8 Section 4(b)(iv) (Exhibit P) This proposal will eliminate the need to call a special meeting and clarify that designees are allowed. The vote was 15 ayes and 0 nays. Proposal #1 passed.

Proposal #2 (Exhibit Q) By-Law 8 Section 4(b)(v) will bring the by-law regarding Articles of Incorporation amendments into conformity with the by-law regarding By-Law amendments. The vote for this proposal was 15 ayes and 0 nays. Proposal #2 passed.

Proposal #3 (Exhibit R) By-Law 8 Section 4(b)(ii-iii) will clarify the by-law, and bring sections ii and iv into agreement with Section I regarding president's designees. The vote on this proposal was 15 ayes and 0 nays. The proposal passed.

Proposal #4 (Exhibit S) was proposed by Stan DeLong and the San Diego Chapter. This proposal would prevent a chapter from not having a vote due to a president (or his designee) having to leave a meeting without naming a replacement designee. A short discussion ensued. The vote on this proposal was 9 ayes and 8 nays. A 2/3 majority is needed to pass, so this proposal is defeated. It was noted that this proposal could be revisited at a future meeting.

### Notes to Income Statement:

1. Receipts – Total receipts of $124,501 were 29% over budget, primarily due to the Encore Program income of $25,000, and the donation from the CASSAR Ladies Auxiliary of $20,000, which were partially offset by declines in the dues. The Encore Program expense of $25,000 is recorded in operating expense, and the CASSAR Ladies Auxiliary donation was transferred to the 2019 Congress Investment Fund. Major variances to budget receipts were:
   a. Receipts for NSSAR and CASSAR regular annual dues were below budget by $(6,050) due to fewer annual members than budgeted.
   b. Transfers from the investment account for life member dues were below budget by $(20,160) because we decided to maintain the funds in the investment account to earn more investment income.
   c. Receipts for donations of $22,579, raffle ticket sales of $2,203, and medal set sales of $5,713 were over budget due to not being budgeted in 2017.
2. Expenses – Total operating expenses were over budget by $16,837. The major variances to budget were the Encore Program expense of $25,000 which was offset by Encore Program income of $25,000 and the donation to the NSSAR Education Fund of $2,500, which was offset by raffle ticket sales in 2016 and 2017. Most of the committee and program expenses are under budget.

3. Transfers To (From) the Investment Account – The net amount of the transfers to and from the investment account was $20,828 transferred to the investment account from the operating account.
   a. The 2019 Congress Fund includes the donation of $20,000 from the CASSAR Ladies Auxiliary and sales of Congress medal sets of $1,610, which were partially offset by the purchase of 300 Congress medal sets of $4,670, and the down payment on the Congress host society cruise of $6,500.
   b. The Education Fund includes the annual payment from the San Diego Investment Fund of $2,500, and donations from Intel and Don Littlefield of $1,703.
   c. The Permanent Fund includes sales of CASSAR medal sets of $4,585, and the purchase of 300 CASSAR medal sets of $4,800.
   d. The Life Member Fund includes transfers from the investment fund for payment of life member dues to NSSAR, CASSAR, and the chapters of $20,895, partially offset by transfers to the investment fund of new life member dues of $1,670, and the life member subsidy of $2,804.
   e. The Unallocated Fund includes $20,000 transferred from the operating fund to earn more interest, and $828 payment from the San Diego fund, which will be transferred to the education fund.

4. There have been no transfers from the money market account to the CASSAR operating account.

CASSAR Registrar’s Report

My report, effective 4/17/2018, shows that we are having a good start for the year processing application for the California Society. Our registrars continue to cut down on the applications that get pended by Staff in Louisville. Most of our Chapter Registrars are conforming to the usage of the online process and it appears their learning curve shows they understand the system. Twenty-chapters did not submit any applications this calendar year.

California Society processed the following applications:

Spirit of America Award Program Chairman
Inquiries continue to be received from Chapters working with teacher applicants. As with last year, the deadline was extended slightly beyond the Spring conference to allow interested teachers additional time to prepare, and two packages were received by the revised deadline with these two, both strong, being selected. An additional third package was received from Orange County Chapter last year, also very strong, was contacted, but had conflicting schedules and could not participate this year. The two teachers selected by CASSAR to attend this year’s Freedoms Foundation at Valley Forge workshop 15 through 21 July were:

Ms. Jennifer “Fer” Kretschmer, Thomas R. Pollicita Middle School, Daly City, sponsored by Silicon Valley Chapter.

Mr. Jacob “Jake” Febozzi, Vail Ranch Middle School, Temecula, sponsored by Riverside Chapter, who presented a dynamic and memorable program at the 142nd Fall Board of Managers’ Meeting in Irvine.

The 2017 Program, titled “American Revolution South”, included stops at historic sites in South & North Carolina, and Virginia, including:

- King’s Mountain & Cowpens
- Mount Airy
- George Mason’s Gunston Hall
- Hugh Mercer’s Apothecary Shop
- Alamance & Guilford Courthouse
- George Washington’s Mount Vernon
- Rising Sun Tavern
- Francis Lightfoot Lee’s Menokin
- Jamestowne
- Yorktown

The submitted applicant packages continue to be few in number, but the quality of the teachers remains very high, a fact duly noted by Kim DeBlase of the Freedoms Foundation at Valley Forge (FFVF) and tour guide Arch Hunter. As an indicator of the continued high interest in this program and its value for the teachers and (ultimately) the students, CASSAR alumni Jenny Stocks (2015), Renee Cavanaugh (2013) and Jeff Wienbender (2014 applicant) participated on their own or obtained a scholarship! For an example of Mrs. Stocks’ reaction to the workshops, check her blog at: www.stocksrocks5th.blogspot.com ! As is evident, interest in the program continues to remain high, with several Chapters endeavoring to sponsor teacher applications for the 2018 American Revolution North program 30 June through 21 July 2017, which will focus on Boston (South Meeting House, Old North Church, Bunker Hill Memorial & Museum, Old State House, Freedom Trail, USS Constitution, Faneuil hall, Paul Revere House, Lexington &
Concord, Minute Man National Historic Park), Oriskany Battlefield, Herkimer House, Fort Stanwix, Johnson Hall, Old Fort Johnson, Bennington Battlefield, Saratoga National Park, and Fort Ticonderoga.

**DAR Finder Form**

The NSSAR DAR Award was authorized in 1990 and is presented annually to the DAR State Society that recruits the most new members to the SAR. There are two award categories. The first category is for the DAR State Society that refers the highest number of approved new members to the SAR; with awards of $300 for 1st place, $200 for 2nd place, and $100 for 3rd place. The second category is for the DAR State Society that refers the highest percentage of approved new SAR members in relation to the number of DAR state members; with awards of $300 for 1st place, $200 for 2nd place, and $100 for 3rd place.

The award competition runs from January 1 to December 31 each year. In order to be counted, a “DAR Finder Form” must be attached to the application packet. The NSSAR Staff Registrar uses these forms to determine the winner. Applications without the form cannot be counted toward the competition. A separate form must be included with each application received and will be counted toward the competition after the application is approved. Multiple applications cannot be applied to one form. Please see [http://www.sar.org/Committees/DAR](http://www.sar.org/Committees/DAR) for more details and to download DAR Finder Report Form.

This next year our goal is encouraging California Society DAR Chapters to participate in the NSSAR DAR Award for referring members to the SAR. This means that Chapter Registrars will need to become familiar with the SAR Finder Report Form available on the NSSAR website, and submitted with each SAR membership application coming from a DAR member referral.

**Frequently Asked Questions**

1. **Who is eligible?**
   
   Any current member of the California State Society Daughters of the American Revolution (CSSDAR) who refers a new member to the Sons of the American Revolution.

2. **What is a DAR Finder Form?**
   
   This form is used to track and credit referrals that ultimately determine which DAR State Societies will win the annual contest.

3. **Where do you get the DAR Finder Form?**
   
   The form is available for download on the NSSAR website. [http://www.sar.org/Committees/DAR](http://www.sar.org/Committees/DAR)

4. **When do I need the form?**
   
   In order to receive proper credit the Finder Form must be submitted with each application at the time of application.
5. Why is this important?
The DAR State Societies with the most referrals receive cash awards from the NSSAR and the CASSAR receives new member referrals. The SAR is also better able to track the eligibility of local Daughters for Chapter and State level awards.

6. How do you apply?
A DAR Finder form needs to be submitted with each new SAR member application at the time of application. Credit for each referral is received upon approval of the new member application by the NSSAR.

7. Who wins?
A. The DAR State Society with the most approved referrals in a calendar year. First place is a cash award of $300, second place is a cash award of $200, third place is a cash award of $100 presented annually by the NSSAR.

B. The DAR State Society with the highest percentage of approved referrals in a calendar year based on the membership of the state society. First place is a cash award of $300, second place is a cash award of $200, third place is a cash award of $100 presented annually by the NSSAR.

8. Who decides the winners?
The NSSAR Staff Registrar based on the number of Finder Forms submitted per calendar year. Referrals are not counted until the membership is approved.

9. What if the person is from another state?
A California Daughter who refers someone for SAR membership in another state will receive the credit for the CSSDAR. A Daughter from another state who refers someone for SAR membership in California will receive the credit for her state society.

10. What if I have other questions?
Please e-mail your friendly CASSAR DAR Liaison Brian Stephens briandi777@aol.com

DAR FINDER REPORT FORM

Every year at the NSSAR National Congress the National Society presents a $500 award to the DAR State Society that wins the DAR/SAR Award based on the guidelines of the contest.

It is essential that the information of this form be recorded at the chapter and state levels but the form must be forwarded to NSSAR HQ with the application. The Staff Registrar at HQ will use these forms to determine the winner.

See http://www.sar.org/Committees/DAR_Liaison for details.

One DAR Finder Form to be submitted with each SAR application.

When you place your mouse over most of the "text" data entry fields below, a feature called a "tooltip" will display as a window/popup to give you additional instructions concerning what should be entered in that field.

This Applicant is from the Chapter, SSAR.
Name of SAR Applicant
Name of DAR Member making referral NSDAR #
Name of her DAR Chapter DAR Chap. #
First Line Sponsor (SAR) NSSAR#

It is imperative that we maintain an accurate record of the DAR members who assist us in obtaining new members into our society. We encourage them to do so because we reward their efforts by presenting them with SAR medals based on their level of participation. Individual SAR State Society guidelines may be different. An accurate record must be kept by Sponsors (first line signers), all chapters and at the state society level because a DAR Finder may assist with new members at multiple chapters or even in other state societies.

Medal of Appreciation
Martha Washington Medal
Daughters of Liberty Medal

Suggestions when using the "Save to Your PC" button below. Add the SAR Applicant's Name to the Saved file Name. For example, "George Compatriot DAR FINDER Form.PDF". As a courtesy, it is suggested that you send the "renamed" form as an Email Attachment to the DAR Member making the referral.

Flag Certificate Report for the 143rd Spring Meeting of the Membership

The California Society ended the 2017-2018 year without the required number of chapters participating in the Flag Certificate program, 13 or more being required. The Admiral Furlong report was submitted 14 April 2018 after several late attempts were made to obtain the required numbers to qualify for the award.

Chapters awarding flag certificates were nine in number:
   Thomas Jefferson – 39
   Redwood Empire – 30
   Harbor Chapter – 25+ with one awarded at the 142nd BOM Meeting
   Silicon Valley – 4
   Kern Chapter – 2 (June 2017 & February 2018)
   Coachella Valley – 1 (1 April 2018 to Dodge Bros Automotive)
   Gold Country – 1
   Orange County – 1 (23 March 2018 to Peggy Vorell)
   Riverside Chapter – 1 award (18 August 2017)

Chapters with awards pending:
   Gen George S. Patton
   Santa Barbara

Chapters with special issues:
   South Coast – Passing of President Richard Bent

Chapters not named issued no flag certificates for the period 2017-2018, or did not respond and are assumed to have issued no certificates (four chapters).

Two chapter presidents stated no knowledge of flag certificates; information was provided to them. Goal for the 2018-2019 award period is to inform chapters of the program throughout the year via the Compatriot, emails and personal visits.

SAR Chapter Insurance Information

Question: Can the CASSAR purchase a joint insurance policy for General Liability (GL) and Directors and Officers Liability (D&O) for the state society and the chapters combined?

Response: Each SAR chapter in California has separate tax ID #, so the State Society cannot purchase a joint policy for the state and the chapters combined. Each chapter must purchase its own policy.

If a chapter wishes to purchase GL and D&O liability insurance, there are a number of insurance carriers who provide insurance policies to non-profit organizations.

The CASSAR has purchased a GL policy from the Nonprofits Insurance Alliance of California (NIAC), and plans to purchase its D&O policy from them when the current policy expires in 2018. The NIAC specializes in non-profit insurance and the premiums are lower than other carriers CASSAR contacted.

The Nonprofit Insurance Alliance Group is a group of nonprofit insurance cooperatives that serve only 501(c)(3) nonprofit organizations. The Group is rated A (Excellent) VIII by A.M. Best and currently operates in 32 states and the District of Columbia, insuring more than 17,000 nonprofits.

The Nonprofits Insurance Alliance Group is comprised of four nonprofit organizations:

- Nonprofits Insurance Alliance of California (NIAC), which provides liability insurance to nonprofits in California;
- Alliance of Nonprofits for Insurance, Risk Retention Group (ANI), which provides liability insurance to nonprofits outside of California;
- National Alliance of Nonprofits for Insurance (NANI), which provides property reinsurance, and;
- Alliance Member Services (AMS), which provides staff, services and support to the other three companies.

Report on the Reconciliation Process for State Spring Meeting

The work that Don Littlefield and Jim Faulkinbury did in 2016 on the Reconciliation worksheet was outstanding. The workbook worked well throughout the process.

The mid year member reconciliation that the chapter secretaries and I did in early September paid huge dividends. There was only one member discrepancy in our year end national-state reconciliation caused by a member transfer-out transaction that was performed by national on Dec 31st without the state and chapter secretaries being notified.

Late Reporting:
The Chapters have an obligation to submit their dues reports to the state secretary no later than January 5th. The state has an obligation to submit its final dues report to the national society no later than January 31st. Of the 26 Chapters reporting, only 11 were submitted on or before January 5th. The reasons are not clear, but I assume some were late because of unfamiliarity with the dues process and the excel software, and some were late because the chapters were late beginning their dues collection process.

1. Late reporting didn’t permit the state society to meet the NSSAR dues reporting requirement deadline of Jan 31st.

2. Late dues reporting causes a backlog in society member transactions. Member transactions that are processed after January 1st are held and can’t be registered with national and state societies until the state reconciliation report has been approved. Consequently, there were many transactions that couldn’t be recorded until April. This adds a significant additional administrative workload and is not fair to members who have paid to have these transactions processed. As an example, two LM applications were held for two months before they could be approved.

Report Corrections:
Of 26 chapters reporting, only 7 chapter’s submitted dues reconciliation reports that didn’t require any corrections. The main causes, I believe, are that many people are not familiar with the reconciliation process and working with the Excel software. In some cases, chapters submitted out-of-date worksheets that didn’t account for the changes in NSSAR bylaw 22 even though the correct files were provided to them in August.

1. Not using the proper reconciliation worksheet that was provided mid year to accommodate the change to NSSAR bylaw 22.
2. Data entry omissions in the reconciliation worksheets didn’t permit the worksheet to calculate correctly.
3. Unfamiliarity with MS Excel and the reconciliation process.
4. Overriding the worksheet protections and overwriting formulas designed to correctly calculate dues.

The Lord is my shepherd
I shall not want.
He maketh me to lie down in green pastures;
He leadeth me beside the still waters.
He restoreth my soul;
He leadeth me in the paths of righteousness
For his name's sake.
Yea, though I walk through the valley
Of the shadow of death,
I will fear no evil, for thou art with me.
Thy rod and thy staff, they comfort me.
Thou preparest a table before me
In the presence of mine enemies;
Thou anointest my head with oil;
My cup runneth over.
Surely goodness and mercy will follow me
All the days of my life,
And I will dwell in the house of the Lord forever.
