President

Annual Report for the 145th Spring Meeting of the Membership

My thanks to all of you for bestowing your trust in me by electing me president of this society for 2019-2020! It has been the culmination of my fondest desires and expectations. Now, as I prepare to relinquish the reins of leadership to my eminently qualified successor, it is appropriate to review some of the highlights, and to thank those who have supported me through this year. I have been fortunate in being backed by an outstanding executive board, without whom I could not have functioned, and my heart-felt thanks goes to each one of you. My committee chairs have performed well and with due-diligence, for which I am grateful. We were blessed to fill our Spanish Liaison slot, giving us a full board, and my thanks to VPG Western District Jim Fosdyck for providing me potential candidates as openings occurred!

While the CASSAR 144th Spring meeting was a highlight, providing as it did my entrance to this position, the absolute highlight of the year was the national congress held in Costa Mesa this past July, being the epitome of perfection in many ways as so many have told me. My thanks to John Dodd, Steve Renouf, Kent Gregory and so many others who worked hard and diligently to make it the successful event it was. As always, our ladies of the Ladies Auxiliary have supported us well with the grace and positive attitudes only they can provide, and I thank them for their support.

VP-Membership Report

As VP-membership, I am the primary contact person for anyone who wants to apply for membership in SAR.

When NSSAR adds the person's residence to their website, I assign them to the nearest chapter registrar who will be able to assist them in the application process. If the applicant provides more information in their inquiry, I provide the applicant additional sources and make suggestions as to where they can get additional assistance.

It is very important that chapters advise me of changes in chapter registrars.

I average three membership inquiries a day, and I respond as quickly as I can.

I am also the primary contact person for our society. I receive requests for assistance from Eagle Scouts, ROTC/JROTC, Sea Cadets/SeaScouts, and High School Students regarding our essay contests. It is important that I know who your chapter chairman is of these different programs are so I can make the proper referrals.

2020 CASSAR Registrar's Report

The SAR Checklist has been promulgated to registrars with an admonishment to please include the checklist with every, regular and supplemental application.

I need to remind all that are involved in the preparation of applications to be knowledgeable of current requirements from both the Application Manual and the Genealogy Committee findings, both of which is online. Of particular note is the new requirement that generations can no longer be on two pages. A tutorial was sent out and chapters seem not to having any problems.

2019 Applications still in the hopper:

28 Applications:

Regular	10
Junior	1
Supplemental	17

2020 Applications:

29 Applications:

Junior Members	1
Regular	20
Supplementals	8

By Chapter 2020 activity from all categories:

Central Coast	1	Orange County	0	Sons of Liberty	0
Coachella Valley	3	Redding	0	South Coast	5
Delta	3	Redlands	0	Thomas Jefferson	3
Eagle	2	Redwood Empire	0	Yosemite	2
Gen Patton	1	Riverside	2		
Gen Washington	1	Sacramento	0		
Gold Country	1	San Diego	0		
Harbor	2	San Francisco	0		
Kern	2	Santa Barbara	0		
Monterey Bay	0	Silicon Valley	1		

Chapter Registrars are reminded to go online to the members section and download a copy of the pended applications. Look over the list. Pended applications are kept in the hopper for 3 years. But not rectifying a pended application may be doing harm as many of them are "new" potential compatriots. If an older application is no longer viable, that is all resources have been expended and no resolution can be found, it may be advisable to notify me and State Genealogist to remove the application.

Elections should have happened and possibly a new Registrar has been selected. Please notify myself and the State Genealogist of this new compatriot accepting the challenge. We will assist this person to become the "expert" he needs to be.

Notes to Statement of Activities:

1. Revenues – Total revenues for the year 2019 of \$99,022 were \$(2,859), or 3%, below the annual budget, primarily due to: lower New Member Dues \$(1,320), transfers not completed from the Education Fund \$(2,500) and Unallocated Fund \$(2,000), and sales of CASSAR medal sets below the annual budget \$(1,645), partially offset by higher than budget Donations of \$4,455. Major variances to budget revenues were:
 - a. Receipts for NSSAR and CASSAR regular annual dues were below budget by \$(1,635) due to fewer annual members than budgeted.
 - b. Receipts for new member state dues were \$(1,320) below budget due to fewer new members than budgeted.
 - c. Receipts for donations exceeded budget by \$4,455 due to an unbudgeted donation from Intel of \$5,400.
 - d. Quilt raffle ticket sales were \$(540) below budget.
 - e. Congress medal sets were \$155 over budget, and CASSAR medal sets were \$(1,645) under budget.
 - f. Other income includes the \$846 bank account balance transferred to CASSAR from the Redding SAR Chapter when it closed in October, 2019.

2. Expenses – Total operating expenses for the year of 2019 were over budget by \$17,245, primarily due to 2019 Congress expenses of \$36,031, partially offset by favorable variances to budget for most of the committee and program expenses. Most of the Congress expenses occurred in 2019, but income to offset the expenses occurred in prior years as various fund-raising activities were held. The total income for the 2019 Congress of \$84,916 exceeded the total expenses of \$71,822 by \$13,094.
3. Transfers To (From) the Investment Account – Total transfers for the year of 2019 were a net transfer from the investment account to the operating account of \$(19,328), including \$(473) for expenses, and \$(18,855) for Life Member dues.
 - a. The 2019 Congress Fund includes transfers to the investment fund for the sales of Congress medal sets of \$2,975, Raffle ticket sales of \$4,645, a donation from the Ladies Auxiliary of \$10,000, and the annual installment of \$2,000, offset by transfers from the investment fund of \$(48,676) for Congress expenses.
 - b. The Education Fund includes two payments from the San Diego Investment Fund totaling \$1,548, and a donation from Intel and Don Littlefield of \$1,500.
 - c. The Permanent Fund includes sales of CASSAR medal sets of \$385, and a donation of \$75.
 - d. The Life Member Fund includes transfers from the investment fund for payment of life member dues to NSSAR, CASSAR, and the chapters of \$18,855 (accounts I-03 and I-04) partially offset by transfers to the investment fund of new life member dues of \$3,504, and the life member subsidy of \$2,894.
 - e. The Unallocated Fund includes transfers to the investment fund to achieve a higher rate of return than in the checking or savings accounts.

2020 CASSAR Secretary Annual Report
Spring Membership Meeting, April 2020

for the 2020-2021 year.

In May, 2019 just prior to the National Congress being held in California, an interim State secretary was appointed to the position, the previous State Secretary had to step down due to serious health concerns leaving a vacancy. The previous State Secretary David Grinnell agreed to stay on and handle the paperwork for the National Congress since it was being held in California and there was concern about the transition of the position occurring so close to the event. The state files were transferred on June 19, 2019.

A review of the CASSAR Roster indicated that some anomalies existed in issuing of state numbers which needed to be address. It appeared for a time period, that if a CASSAR member transferred his membership out of the state and subsequently transferred back to California he would be reissued a new state number. In some instances, the old number had been reissued to another state member. Therefore, at the November 2019 California Board of Managers meeting the Executive Board with the approval of the entire Board of Managers, a three members committee was created to administer two different projects;

- (1) to list names to all numbers issued by CASSAR to all of its members going back to the first number issued and try and place a name to each number:
- (2) to find record copies for all of the members going back as far as possible and place the record copies into one single permanent file.

Up to this point, the record copies of individual members have been kept in different files and have been categorized differently. A uniform system for filing all new members record copies has been developed and all record copies will be categorized in accordance with this system.

In addition to the two projects, the State Secretary's position processed the following transactions in 2019:

New Member packets	182
Reinstatements	86
Transfers into the state	8
Transfers out of the state	10
Memorial Members	3
Deceased Members	18
New Life Members	3
Supplemental packets	65
Emails	1,789 (from August 2019 to December 31, 2019)
Mailed	350 individual letters since June 2019

This years state numbers are as follows:

On January 1, 2019 the official state number was	1602 according to NSSAR
On January 1, 2020 the official state number was	1615 according to NSSAR
The California January 1, 2020 state number was	1648 according to CASSAR

The difference between the January 1, 2020 NSSAR and the CASSAR is the NSSAR National Life Members and the States Dual members that have been reported.

The California State reported 107 Junior Members as of January 1, 2020, and the state has issued a total of 11050 numbers since the state number system was first started. The state secretary now has a complete log of all numbers issued from number 001 to the current number 11050.

Central Coast Chapter Summary:

Our chapter continues to make its presence felt in the community. One of our goals at the end of last year was to improve our community involvement. This past year, we awarded 5 Flag Certificates to community members. This gesture was met with a warm and positive response. We gave some back to our community. Our chapter donated \$100.00 to a local organization, Shower the People, an all-volunteer organization who provides showers and clothing to our homeless population. We also donated \$200.00 to the local arm of Disabled American Veterans, who provide outreach services to our veterans. Our chapter also had the honor of recognizing and presenting two Eagle Scout Awards to outstanding Boy Scouts in our area. On June 6, 2019, our ROTC Chair, William Crewe, had the privilege of presenting the award for outstanding ROTC Cadet from Cal Poly, San Luis Obispo. We have established a liaison with Cal Poly University and will be involved in recognizing future deserving ROTC cadets. Registrar Russ Haynes and President Steve Scully were invited and attended a El Paseo de Robles DAR meeting in April 2019. We exchanged ideas about how to make our organizations stronger with a pledge to work together to achieve our common goals. During this year we did not fail to recognize our own members. A total of 5 Military Service Awards were presented to members, who served honorably in the military.

Our chapter had to bid farewell to a long standing, valued and respected member this year. It was with sadness that we said goodbye to Gary Dean Cooper, who passed away on April 28, 2019. Gary was an active member, holding the offices of Registrar, Treasurer and President of the Central Coast Chapter. On October 18, 2019, Gary's wife Vonda and family were presented

with a Memorial Certificate. Gary's influence and guiding hand helped make the Central Coast Chapter successful. His loss will be felt by this chapter for many years. Rest in Peace, Gary.

We look forward to the coming year. Our membership continues to grow and is stronger with new and energetic members. We look to the future with a renewed dedication and enthusiasm. We will continue to reach out to other community groups along with strengthening our ties with other patriotic organizations and service clubs. We will seek out other worthy veteran's groups and provide financial and volunteer support. We will continue to recognize and award deserving community members.

Coachella Valley Chapter held eight meetings in 2019 at Mission Hills Country Club in Rancho Mirage, California. Each meeting had an interesting historic presentation, usually with a guest speaker. The annual joint SAR/DAR meeting was in February. Our Color Guard members participated in the annual Massing of the Colors at Forest Lawn Hollywood Hills in February, the DAR Student Award Presentation at the Palm Springs Air Museum in May, the Veteran's Day Parade in Palm Springs in November, and Wreaths Across America at Desert Memorial Park in December. The chapter also participated in a presentation at the Palm Springs Genealogical Society, along with DAR and Colonial Dames, on lineage societies requirements for membership. Officers and members attended the CASSAR spring meeting in Ventura, the fall meeting in Irvine, and the summer Congress.

The youth program awarded JROTC Awards Certificate and Medal to an outstanding Cadet at Desert Hot Springs High School and at La Quinta High School. This was the 25th anniversary of our chapter, which we celebrated in November with special invited guests from the State and National Societies, including State President Robert Taylor, State VP-South Brian Stephens, National VP General-West Jim Fosdyck, and Past President General Larry Magerhurth. Press coverage of our celebration was reported in "The Desert Sun."

Eagle Chapter Summary:

2019 saw the Eagle Chapter basically maintain its membership level, with several newcomers offsetting those who left the group. Additionally, there are more than ten men who are actively pursuing chapter membership. Chapter members participated in many local events, including a massing of the colors, a presentation at the Heritage Library and Museum in Glendale, a parade in Valley Center, a Memorial Day celebration at the Riverside National Cemetery, the Independence Day Parade in Oceanside, the 4th of July Parade in Temecula, the NSSAR National Congress in Costa Mesa, a presentation at the Sons City Genealogical Society and participation in Wreaths Across America. 1st VP Wayne Rogers assisted in the return of his relative's remains from a WWII Battlefield to their final resting place at the Riverside National Cemetery.

Community outreach was one of the strong points for the chapter in 2019. Presentations were made at several local high schools for their JROTC members. A Knights Essay Contest resulted in one winner who received a monetary award. Three Eagles Scouts received awards from the chapter. Wayne Rogers arranged for several interesting speakers at chapter meetings. Topics ranged from the biography of a Patriot Ancestor, to the science behind DNA, the use of heavy weapons in Europe during the 17th and 18th Centuries, Revolutionary

War Medals, Freedom of the Press, and the Sullivan/Clinton Campaign against the Iroquois. Two chapter members received accolades during the year: Wayne Rogers was awarded the Meritorious Service Medal and he became a George Washington Fellow; Stephen Wright was awarded a Quilt of Valor.

General Patton Chapter Summary:

For the year 2019, the General Patton Chapter saw essentially no growth, starting the year with a membership of 94 compatriots, having a total membership of 108 on 31 December, but dropping to a total of 94 compatriots on 1 January 2020 after factoring in 11 new accessions, 9 drops, 2 deaths, 2 transfers out and 2 transfers in. The Chapter met monthly for a luncheon on the second Friday of each month, having to move locations from the Marie Callender's Restaurant in Ventura to the Poinsettia Pavilion for February due to the closure of Marie Callender's. Attendance varied from a high of 17 to a low of 9, with the average being 14, or 14.9% of the total membership, including those living outside the local area. Guests varied from 1 to 9, with VP-South Brian Stephens installing the officers in January while his wife, Diane

presented the program as Dolley Madison. VPG Western District Jim Fosdyck and his wife, Un Hui visited the chapter in May. On the more somber side, members attended the memorial service in Simi Valley for former Chapter President Hal Reniger's wife, Carol in April, and the vigil and funeral services in Woodland Hills for Chapter Registrar Richard McMullen in November.

The Chapter Color Guard was active throughout the year, members being present at the Massing of the Colors, the Spring and Fall NSSAR Leadership Meetings, the Field of Honor in Costa Mesa, the Ojai 4th of July Parade, Memorial Day and Veterans Day at Cemetery Park in Ventura, and the Veterans Day Parade in Santa Barbara. The Chapter presented Spirit of America awards in June at the graduation ceremonies of the Pleasant Valley School District middle schools in Camarillo. Former President Hal Reniger presented a Flag Retirement Certificate.

The Chapter hosted the CASSAR 144th Spring Meeting of the Membership in Ventura 26-27 April, at which the Chapter Secretary, Robert Taylor was installed as CASSAR President, and members volunteered for the event. Members of the Chapter also volunteered for and attended the 129th NSSAR Congress in Costa Mesa, and the CASSAR 144th Fall Board of Managers Meeting in Irvine. The Secretary attended several other Chapter meetings, installing the officers for Sons of Liberty in January and Santa Barbara in November.

As we close out another year with the Harbor SAR Chapter, I wanted to thank all of the members, guests, and supporters of our Chapter for having the honor to serve as President in 2019. Over the year, the Chapter has been very active in our communities. Our Color Guard has performed at the annual Massing of Colors in Glendale, Armed Forces Day Parade in Torrance, Memorial Day Celebration, South Bay National Day of Prayer, 4th of July parades, SAR National Congress, 2 Veterans Day events, Wreaths Across America, CASSAR Fall Board of Managers Meeting, Wreaths Across America, local DAR meetings, numerous Honor Flight events at LAX, a funeral, and more. Thanks to Jim Olds, the chapter has had great presentations at each chapter meeting, including Pulitzer Prize winning author and Chapter member Daniel Howe, Jaxson Brashier as Sir Winston Churchill, and several other outstanding programs during the year.

The Harbor SAR Chapter has been meeting for a monthly dinner meeting (except in July) on the 1st Thursday of each month. We have been meeting at the Alpine Village Restaurant in Torrance for several years – currently looking for a new location to hold our meetings starting in April, 2020. Unfortunately, the Alpine Village Restaurant will be closing in late March, 2020. Please contact any of the above Chapter Officers if you would like to attend one of our regularly scheduled Chapter meetings.

Mother Lode Chapter Summary

The Mother Lode Chapter had three middle schools participate in the Brochure Contest and one school participated in the Poster Contest. We had one Eagle Scout enter the King Eagle Scout Award Contest. The young man was a C.A.R. member. At our Chapter's recognition meeting for him we extended an invitation to join SAR and he willingly accepted. He is now a regular member of our Chapter while attended college at Boise State University.

At the California Spring meeting Mother Lode Chapter received first place in the 2019 State Brochure Contest. Our young winner is in the 8th Grade at John Adams Academy in EDH. She won \$400 at the State + her \$100 for winning School and Chapter.

The Chapter received two "Purple Heart" coasters from the Maj. Robert Crawford Chapter of Indian Land, SC as a thank you for purchasing a plaque of General Washington's Order for the Purple Heart. The Mother Lode Chapter then gifted the plaque to American Legion Post 119 as a thank you for hosting our Chapter's Annual Community Awards Banquet. In May, Compatriots Tom Adams, Tom Douglas, Sam Bradley and Russ Kaiser went to the John Adams Academy to present the awards for the fifth grade poster contest and the eighth grade brochure contest. Compatriots Douglas, Bradley and Kaiser appeared in period uniforms. Later in May, Compatriots Tom Adams, Tom Douglas, Sam Bradley and Doug Drake presented the awards to eighth graders who participated in the brochure contest in Mr. Flowers' class at Camerado Middle School in

Cameron Park. Compatriots Douglas, Bradley and Drake appeared in period uniforms. Compatriots Doug Drake and Mike Muetz participated, in uniform, at the Memorial Day activities at the El Dorado County Veteran's Memorial in Placerville.

The Chapter publishes a monthly newsletter, *The Dispatch*. In 2019 eleven (11) issues were published. In November of this year, we submitted an issue into the National Carl F. Bessent Award contest administered by the NSSAR Newsletters and Publications Committee.

Redding Chapter Summary

On January 1, 2019 the Redding Chapter began the year with total of 31 active members, by early spring the chapter reported that the Executive had determined that the chapter could no longer meet the intent of the California Society as required by the charter that was issued on April 6, 1983. The Redding Executive Committee entered into negotiations with the CASSAR Executive Vice President Don Littlefield and Vice President North Craig Anderson to determine if there was a way for the chapter to continue to serve the membership and an maintain their charter.

The Redding chapter continued to struggle for the next few months, and the decision was made by the chapter Executive Committee to relinquish the chapters charter to the California Society in the late spring.

Letters were sent to all members of the Redding Chapter by the Vice President, North Craig Anderson letting the membership know that they could transfer their membership to one of the neighboring chapters. A life of the members and several regular members transferred memberships to the Sacramento Chapter, Gen. Geo Washington Chapter, Silicon Valley Chapter and several other chapter with on the state. Seventeen (17) members made the decision to drop their membership in the California Society, sons of the American Revolution and on December 31, 2019 the Redding, CA Chapter relinquished its charter.

Redlands Chapter Summary:

The Redlands Chapter met for nine monthly meetings in 2019. Each meeting included a program focused on the chapter's youth program activities such as the reading of the George S. & Stella M. Knight Essay Contest, or other topics relating to genealogy and the American Revolution. One of the best programs was a Revolutionary War Jeopardy game produced and emceed by compatriot Don Boatright. Perhaps the most poignant program was the returning of the San Antonio DAR Chapter's insignia, dating to the 1920s – it was discovered in a Redlands home and the owners contacted Shawn Price.

The chapter's color guard participated in several events, including Massing of the Colors, Memorial Day, Redlands' Fourth of July festivities, and Wreaths across America. For the latter, the Chapter partnered with the City of Redlands, and Redlands American Legion Posts

to sponsor and coordinate the inaugural ceremony at Redlands Hillside Cemetery. Compatriots Don Boatright and Sam Irwin led the chapter in this endeavor.

In 2019, the Redlands Chapter turned an important corner. After several consecutive years of declining membership due to passings and members leaving the area, we added four new members and have several more prospective members who expect to finalize their application packages in 2020. This has revitalized our chapter meetings where we now see 40-50% of our members each month, rather than 20-30%.

Committee Reports

CALIFORNIA SOCIETY, SONS OF THE AMERICAN REVOLUTION
COMMITTEE REPORT
03/01/2020
PUBLIC SERVICE AND HEROISM COMMITTEE

In 2017, the NSSAR approved a new Life Saving Medal and Certificate that maybe presented to honorees who took action resulting in the saving of a human life without placing themselves in imminent danger. This award was created to reserve the SAR Heroism Award for those who demonstrate outstanding bravery and self-sacrifice in the face of imminent danger. In addition to the Life Saving and Heroism Medals, there are three Public Service Medals – Law Enforcement, Fire Safety, and Emergency Medical Services that the State Society presents semi-annually, and each Chapter is encouraged to present annually and to report those presentations using the on-line reporting form found on the NSSAR website under the Public Service and Heroism Committee heading. The criteria for presentation of the five awards can be found in the NSSAR Handbook.

If Compatriots/Chapters have any questions concerning the SAR Public Service Awards for Law Enforcement, Fire Service, Emergency Medical Services, Heroism, or Life Saving they are encouraged to contact the Committee Chair – Brian Stephens, Riverside Chapter (951) 354-9352 briandi777@aol.com

In 2019, in addition to the California Society, six of the twenty-four California Chapters reported award presentations. Those Chapters were General George Patton, General George Washington, Gold Country, Kern County, Orange County, and Silicon Valley. Thank you!

It has been an honor to serve as the Chair of this committee. In addition to encouraging and assisting Chapters with Public Service Award presentations and documentation, I served as the Master of Ceremonies, and assisted in preparing and selecting nominations, for the California Society's Public Service Awards Luncheon at the 144nd Annual Spring Meeting and Fall Board of Managers meeting. I also attended National Congress in Costa Mesa, California and the NSSAR Spring and Fall Leadership meetings, including the National Public Service and Heroism Committee meetings at SAR Headquarters in Louisville, Kentucky.

Respectfully Submitted,

Brian Stephens, Chairman
CASSAR Public Service and Heroism Committee

Annual Spring Meeting

The California Society has seen the loss of two chapters in the last two years. The Society now has 24 chapters that can participate in this program. Seventeen of the Chapters do not participate in the Best Chapter Program.

In 2019, there were just seven chapters that participated in the program. The same seven that have participated in the program for several years, and have continued to win in their size categories, Small, Medium Small, Medium Large, Large, and Very Large.

Eagle Scout Recognition – James Blauer – NESA Outstanding Eagle Scout Award

Most of the CASSAR Chapters provide the Eagle Scout Recognition Certificate to individuals that contact them and request it. Of particular note is every Eagle Scout in the Orange County Council BSA receives both an official SAR Eagle Scout certificate (with their name done by hand in calligraphy by Jim Blauer) and an SAR Eagle Scholarship application.

On November 12, 2019, at a meeting of the Orange County Council Boy Scouts of America, Jim Blauer was presented with the NESA (National Eagle Scout Association) NOESA (NESA Outstanding Eagle Scout Award). This was awarded to him for his work doing Certificates of Recognition from the SAR and Certificates of Commendation from the SUVCW for Eagle Scouts. He has calligraphied the names on over 15,000 SAR certificates for Orange County Scouts and 360 for his Camp 17 Sons of Union Veterans of the Civil War. He has been doing it for 30 years, since August 1989. (Excerpt from the Orange County Chapter Newsletter)

At left Jim receives his certificate and medal from Jeff Herman, Scout Executive, Orange County Council (left) and Drew Adams, Chairman of the OCBSA chapter of the National Eagle Scout Association (right).

Robert E. Burt Scout Volunteer Award

Nominations may be submitted year-round, so I can take applications any time from chapters. California is allowed up to 4 Robert E. Burt awards each year, so we need to remind the chapters to look for potential recipients within their chapters. Once I receive the completed package from the chapters, It

"The Boy Scouts of America believes our organization has a social and moral responsibility to equitably compensate all victims who were abused during their time in Scouting. We also have a duty to carry out our mission for years to come.

In order to meet these dual objectives, the national organization has filed for Chapter 11 bankruptcy."

CASSAR Sea Cadet Program (NSCC/NLCC) – 2020 Annual Report

Here is an excerpt from the Sea Cadet web link: <http://www.seacadets.org/about-nsc>

“USNSCC is a national youth leadership development organization that promotes interest and skill in naval disciplines while instilling strong moral character and life skills through leadership and technical programs modeled after the Navy's professional development system. Also included under the USNSCC umbrella is our junior program the Navy League Cadet Corps (NLCC), for young people ages 10 through 13.”

This is a very worthwhile program and allows us to meet some of the finest young people working towards a career in the military. If you are not already adopting a Sea Cadet unit in your area here is a link to locate the nearest one. <http://homeport.seacadets.org/secure/UnitDirectory.aspx>

The primary award is the Combination Sea Cadet medal and Ribbon with Certificate available from the National supply. Here is the criterion listed in the Awards Manual for the Sea Cadets:

California Society – Sea Cadet of the Year

At the CASSAR Board of Managers 2019 (BOM) we formed a Sea Cadet Committee composed of the following Compatriots:

- William E. Nay, Chair
- Craig Anderson, CASSAR VP North
- Brian Stevens, CASSAR VP South
- Brandon Villardi, Sea Cadet Coordinator, South

We are looking into the possibility of establishing a "Sea Cadet of the Year" for the California Society. We would nominate a Sea Cadet from the local Chapter, much like the Eagle Scout Program, to be the State "Sea Cadet of the Year".

Anyone interested in providing input to the committee to develop this concept should contact me directly.

DAR LIAISON COMMITTEE

The DAR membership goal is to reach 250,000 active members by 2033 in time for America's 250; the 250th Anniversary of the United States of America Running from 2023 thru 2033 the Boston Tea Party to the Treaty of Paris. Last October, the DAR celebrated its One Millionth Member - Amy Dickinson author of a nationally syndicated advice column with an estimated 22 million readers.

In July, I was privileged to assist the National Society President General Denise Van Buren, California State Regent Adele Lancaster, and other DAR National Officers during their visit to Costa Mesa for our SAR National Congress. I also attended the California DAR Southern Council Meeting in September held in Irvine.

The SAR - Daughters of the American Revolution (DAR) Award was authorized in 1990, it is presented annually to the DAR State Society that recruits the highest number of new members to the Sons of the American Revolution (SAR). The competition runs from January 1 to December 31 of each year. In order to be counted, a "DAR Finder Form" must be attached to the application packet. The SAR Staff Registrar uses these forms to determine the winner. Applications without the form cannot be counted toward the competition. A separate form must be included with each application received and will be counted toward the contest after the application is approved. Multiple applications cannot be applied to one form.

The NSSAR annually awards \$1,200 in cash prizes to State DAR Societies for first (\$300), second (\$200), and third (\$100) place in two categories. The highest number of referrals; and largest percentage of referrals based on the number of state members.

Many SAR State Societies have DAR Finder Forms submission rates with close to 50% of their new member applications. They also have State sponsored contests with cash awards to local DAR Chapters and/or medals to individual DAR members based upon the number of referrals.

California submitted 32 DAR Finder Forms in 2019. The form is available on the CASSAR website.

At the Fall BOM a motion was passed to award the DAR Medal of Appreciation for 5 referrals (with an oak leaf cluster for additional batches of 5 referrals), the Martha Washington Medal for 20 referrals, and the Daughters of Liberty Medal for 50 referrals. The presentation of these awards is the responsibility of the SAR Chapter receiving the new members.

Brian Stephens

Valley Forge Teacher Recognition Program
Annual Report for the 145th Spring Meeting of the Membership

Intended to instill a deeper awareness of the causes and conduct of the American Revolutionary War and colonial life in America, this program is open to public and private school teachers of American history in the 5th, 8th and high school grades. Expanding on the teacher's knowledge of this period of American history, the desired result is a more-meaningful classroom experience for their students. Currently administered through the Freedoms Foundation at Valley Forge, the program utilizes resources that assist in educating students regarding the American Colonial period, the causes and effects of the American Revolutionary War, and the foundational principles associated with the founding of the United States of America.

From the application packages of the teachers supported and assisted by the local chapters, two teachers are selected by the CASSAR committee for the tuition-paid opportunity to experience first-hand actual historical sites under the tutelage of an acknowledged historical expert. An added benefit is the opportunity to earn credit hours towards their accreditation.

While two high-quality application packages were received for this year's Freedom Foundation Valley Forge program, the lack of additional applications was noted with some concern. Several chapters reported interacting with interested teachers, but were unable to motivate the teachers to complete the applications. Sacramento Chapter took advantage of this situation and provided two strong packages with both being selected to attend the workshop. The two teachers selected by CASSAR to attend this year's Freedoms Foundation at Valley Forge workshop 5 through 10 July 2019 were:

Ms. Melissa Wolking, Oak Chan Elementary School, Folsom, sponsored by **Sacramento** Chapter.

Mr. Scott Steffens, St. Patrick's Academy, Sacramento, sponsored by **Sacramento** Chapter.

The 2019 Program, titled "Revolution and Rebellion, 1756-1794", included stops at historic sites in south Pennsylvania between Philadelphia and Pittsburg, including:

Independence Hall & the Liberty Bell	Museum of the American Revolution
The American Philosophical Society papers	Historic Waynesboro & Fort Loudon
Flight 93 Crash Site, Shanksville	Fort Necessity & Gen. Braddock's Grave
Jumonville Glen Battle & Fort Legonier	Braddock's Battlefield Museum
History of Local Native Americans	Fort Pitt & Fort Duquesne

The submitted applicant packages continue to be few in number, but the quality of the teachers remains very high, a fact duly noted by Kim DeBlase of the Freedoms Foundation at Valley Forge (FFVF). As an indicator of the continued high interest in this program and its value for the teachers and (ultimately) the students, two CASSAR alumni Fer Kretschmer (2017) and Megan Uribe (2018) participated on their own or obtained a scholarship! Fer Kretschmer started a Facebook account for this year's workshop (www.facebook.com/groups/361924717840963/), which is well worth a visit! The 2020 program will be "American Revolution: Philadelphia Campaign" 10 through 16 July 2020, with details posted in the CASSAR website at <https://www.californiasar.org/youth-programs/valley-forge/>.

COVID-19

General:

- Coronaviruses are well known causes of respiratory diseases in humans.
- COVID-19 appears to be a unique form of Coronaviruses.
- Two of its cousins have been responsible for serious respiratory diseases (MERS and SARS).

Transmission:

- True mode of transmission is not completely known.
- Person-to-person spread appears to be the primary mode of transmission at this time.
- The likely mechanism is through respiratory droplets (e.g. cough, sneeze, etc.) or other bodily fluids (e.g. blood, stool, etc.).
- Transmission from people without symptoms of the disease have been reported.

Incubation Period (Time from exposure to when symptoms appear):

- Incubation period is up to 14 days.
- However, majority of individuals show symptoms within 5 days.

Symptoms:

- Fever, dry cough, shortness of breath and body aches are common symptoms.
- Pneumonia is frequent and serious.
- Usually lacks runny nose, nasal congestion typical of common cold. Also, nausea and diarrhea are not a common feature of COVID-19.
- 80% will have mild symptoms, 15% severe symptoms, 5% critical symptoms. On one cruise, half of the confirmed COVID-19 cases had no symptoms.
- Fatality rate is currently estimated at 2.3%.
- Most fatalities occur in patients with advanced age or underlying medical conditions (diabetes, COPD, heart disease, etc.).
- Recovery time is approximately two weeks for mild and 3-6 weeks for severe disease.

Preventing Community Exposure:

- **Stay at home when you are sick.**
- Good hand washing with soap and water for at least 20 seconds.
- Wash hands especially after going to the bathroom, before eating and after coughing or sneezing.
- Soap and water preferred but use sanitizers with at least 60% alcohol if don't have access to soap/water.
- Cover up coughs and sneezes.
- Avoid touching face, eyes, nose and mouth.
- Cleaning and disinfecting objects that are frequently touched.
- For those without symptoms or family contacts, wearing a face mask is NOT recommended.
- Facemasks should be worn by those already sick to prevent further spreading the disease.
- Facemasks are crucial for health care workers or others in close contact with the sick.

What to Do if You Are Sick:

- **Stay home except to get medical care.**
- Separate yourself from other people and animals in your home. Close contact means being within 6 feet (2 meters) of a COVID-19 patient for prolonged periods.
- Wash hands often.
- Clean all "high touch" surfaces every day.
- Monitor your symptoms.
- Influenza treatment must start within 48 hours, so don't wait to contact your physician.

Should I Cancel my Upcoming Trip, Meeting, Cruise, etc?

- The Centers for Disease Control (CDC) publishes up-to-date warning and recommendations for travelers both within the United States and internationally. More info can be found here:
<https://www.cdc.gov/coronavirus/2019-ncov/travelers/faqs.html>
- Specific risk-benefit questions should be directed to your personal physician.

CASSAR Participation in "WREATHS across AMERICA" 2019

This was the fourteenth year of *Wreaths Across America*, and the 27th year that the Worcester Wreath Company of Harrington, Maine, has sent holiday wreaths to Arlington National Cemetery. Through this program, company president Morrill Worcester seeks to recognize Veterans, active duty military and their families. The mission of WREATHS across AMERICA is Remember, Honor, Teach.

Included are Bunker Hill and Valley Forge. WREATHS across AMERICA is a week of events including international veteran's tributes, ceremonies at State Houses and a week-long "Veteran's Parade" between Maine and Virginia where stops are made along the way to spread the message about the importance of remembering our fallen heroes, honoring those who serve, and teaching our children about the sacrifices made by veterans and their families to preserve our freedoms. The theme for 2019 was "EVERYONE PLAYS A PART."

California Society chapters participated in this event at cemeteries throughout the state with Color Guards posting the Colors, Honor Guards escorting service representatives to place wreaths recognizing their branch of the service, and by placing wreaths on the headstones of our honored men and women who gave all to maintain the freedoms we enjoy.

The CASSAR Invested Funds are invested with Morgan Stanley Smith Barney (MSSB) in five separate funds: the Life Membership Fund, the Education Fund, the Permanent Fund, the Congress Fund, and the Unallocated Fund. The signers on the account are the three trustees.

Proposal to change from 2 to 3.

RECENT ACTIVITY.

On January 6, 2020, the remainder in the Congress Fund was moved from cash to be managed by Morgan Stanley with the same risk level as the permanent fund. This fund will be invested for at least 10 years, so we can afford a higher risk level.

There was a stock market correction at the end of February 2020. For the month of February 2020, the funds suffered a \$16,472.44 unrealized loss.

On March 6, 2020, the Trustees had a conference call with the Morgan Stanley advisor to discuss the invested funds. He said the market volatility this year has been caused by uncertainty with the election year, as well as uncertainty with the Wuhan coronavirus disrupting supply chains in China and other parts of the world. The market is currently down from its recent record highs, and the volatility will likely continue over the next few months. With our long-term funds, the advisor is recommending increasing equities/REITs to improve our returns. The advisor gave us the new recommended allocations, and we recommend approving them, subject to the recommendation of the advisor as to the best time to implement the new allocations when there is less volatility in the market. The proposals can be found in each fund section of this report, compared with our actual and current goals.

Trustee Management.

Your Trustees have continued their tripartite management style and are continuing to act cautiously in management of the Invested Fund. Accordingly, the Trustees will continue to move forward with moderate to conservative management in the best interests of the Society.

Trustees' Statement.

The trustees reiterate their pledge to the membership that their activities and management of the CASSAR Invested Fund will be transparent to the membership. No actions will or have been taken by the present Trustees without the full participation of all Trustees.

SAR District Meetings' Dates and Locations (Note that additional paper may be used as required to reply to the following prompts; please include all relevant information deemed necessary. Please put the Vice President General's name and SAR district at the top of each supplemental page and attach them with this form.):

When attending chapter, state societies and district events I discussed the George Washington Endowment Fund, SAR Education Center and Museum and other issues relevant to the NSSAR and Western District of the SAR. *Frequently I have been requested to install new chapter and state society officers.*

I also discussed the importance of retaining members and reinstating dropped members. A goal of every member should be recruit one new member or reinstate a dropped member. Remind dropped members that they spent a lot of time and money to become a member of the SAR.

During the 250th anniversary of the United States of America in 2026 it will cool to be a member of the Sons of the American Revolution.

We also contacted the CA, HI and NV State Society presidents reminding them to mail dues statements to their compatriots. In the first week of November send e-mails or letters to all those unpaid to jog their memory. The first week in December phone calls should be made. Dr. Darryl Addington (Chairman of the Membership Committee) is working with the Medals and Awards Committee to get a \$1000 award to the society with the combination of best growth in membership and least drops approved.

Number of SAR District Meetings Attended: (1) VASSAR BOM Sep 13-14, 2019, (2) CASSAR BOM Nov 1-2, 2019.
